

We need your

**HELP!**

## Donate for China Earthquake Victims

Over **19,500** died in the massive, 7.9-magnitude quake in Sichuan, China

Over **12,300** were still buried in debris

Over **64,040** people were injured

Over **10 million** people are directly affected

(till 15 May, 2008)

**And the numbers are still rising**

**Your donation will be very helpful for them.**

Organizations that are accepting donations to for the relief effort:
